INDEX TO VOLUME XLII

Andervont, Howard B. and J. S. Friedenwald, A case of vacciniform blepharitis due to an atypical herpes virus 1
Andervont, Howard B. and Margaret Reed Lewis, The inactivation of the chicken-tumor virus by means of calcium compounds 191
Aneurysm, Tuberculous, of the hepatic artery 113
Arnold, Richard D., Selections from the letters of, Mayor of Savannah, Vice-President and Secretary of the American Medical Association. Medical Series. Part I. 1834–1875 156
Arnold, Richard D., Selections from the letters of, Mayor of Savannah, Vice-President and Secretary of the American Medical Association. Medical Series. Part II. 1834–1875 213
Asphyxia, An experimental investigation into the effects of, on the brain with especial reference to asphyxia neonatorum 70

Blood, human, The surface tension of, under normal and pathological conditions 358
Book Reviews 105, 185, 240, 309

Carter, Edward P. and James M. Faulkner, Changes in conduction in the presence of alternation of the heart 245
Cerebral cortex of the cat, The area frontalis of the, its minute structure and physiological evidence of its control of the postural reflex 20
Chesney, Alan M., Thos. B. Turner and C. R. Halley, Studies in experimental syphilis. VIII. On the localization of syphilitic lesions in inflamed areas 319
Chicken-tumor virus, The inactivation of the, by means of calcium compounds 191
Convulsions produced by wormwood, A study of the 77

Débridement, The historical development of the procedure termed, (Pierre Joseph Desault) 93

Faulkner, James M. and Edward P. Carter, Changes in conduction in the presence of alternation of the heart 245
Flexner, Louis B., The development of meninges in amphibia. A study of normal and experimental animals. Preliminary note 67
Ford, Frank R., An experimental investigation into the effects of asphyxia on the brain, with especial reference to asphyxia neonatorum 70
Friedenwald, J. S. and H. B. Andervont, A case of vacciniform blepharitis due to an atypical herpes virus 1

Glycocyamine and glycocyamidine, The effects of, on the blood pressure 207

Halley, C. R., Alan M. Chesney and Thos. B. Turner, Studies in experimental syphilis. VIII. On the localization of syphilitic lesions in inflamed areas 319
Heart, alternation of the, Changes in conduction in the presence of 245

Heparin, The purification of, and its chemical and physiological reactions..... 199
Hines, Marion and Sarah Sheldon Tower, Studies on the innervation of skeletal muscles. II. Of muscle spindles in certain muscles of the kitten..... 264
Hofbauer, J., Contributions to the etiology of pyelitis in pregnancy..... 118
Howell, W. H., The purification of heparin and its chemical and physiological reactions..... 199
Hyman, Albert S., The heart in mushroom poisoning..... 8

Langworthy, Orthello R., The area frontalis of the cerebral cortex of the cat, its minute structure and physiological evidence of its control of the postural reflex.... 20
Lee, F. C., Tubo-uterine junction in various animals..... 335
Lewis, Margaret Reed and Howard B. Andervont, The inactivation of the chicken-tumor virus by means of calcium compounds..... 191

Major, Ralph H. and C. W. Weber, The effects of glycocyamine and glycocyamidine on the blood pressure..... 207
Meninges, The development of the, in amphibia. A study of normal and experimental animals. Preliminary note..... 67
Muncie, Wendell S. and Antoine J. Schneider, A study of the convulsions produced by wormwood..... 77
Mushroom poisoning, The heart in..... 8

Nicholls, Elizabeth G., The surface tension of human blood under normal and pathological conditions..... 358

Pyelitis, Contributions to the etiology of, in pregnancy..... 118

Reichert, Frederick Leet, The historical development of the procedure termed débridement. (Pierre Joseph Desault)..... 93

Schneider, Antoine J., and Wendell S. Muncie, A study of the convulsions produced by wormwood..... 77
Shryock, Richard H., Selections from the letters of Richard D. Arnold, Mayor of Savannah, Vice-President and Secretary of the American Medical Association..... 156, 213
Skeletal Muscles, Studies on the innervation of. II. Of muscle spindles in certain muscles of the kitten..... 264
Syphilis, experimental, Studies in. VIII. On the localization of syphilitic lesions in inflamed areas..... 319

Thompson, W. P., Tuberculous aneurysm of the hepatic artery..... 113
Tower, Sarah Sheldon, and Marion Hines, Studies on the innervation of skeletal muscles. II. Of muscle spindles in certain muscles of the kitten..... 264
Tubo-uterine junction in various animals..... 335
Turner, Thos. B., Alan M. Chesney and C. R. Halley, Studies in experimental syphilis. VIII. On the localization of syphilitic lesions in inflamed areas..... 319

Vacciniform, blepharitis, A case of, due to an atypical herpes virus..... 1

Weber, C. J. and Ralph H. Major, The effects of glycocyamine and glycocyamidine on the blood pressure.....207
